

Climb and Remember

The YMCA, in conjunction with the Newton Fire Department, is hosting a stair climb to remember and honor the 343 FDNY fallen firefighters who gave their lives on September 11, 2001.

Pay tribute by climbing the equivalent of 110 floors of the World Trade Center (or a climb of your choice). We will have the stair master reserved Saturday September 10th members and Sunday September 11th for the Newton Fire Department.
